Dec. Qtr.	24.48	14.27	4.22	18.49	131.0
March Qtr.	22.18	14.27	4.23	18.50	131.0

- (a) Based on employment and salaries and wages recorded on Pay-roll Tax returns and from other direct collections and estimates. Male units represent total male employment plus a proportion of female employment based on the approximate ratio of female to male earnings. Including overtime and over-award and bonus payments.
- (b) Weighted average of award rates for a normal week's work (excluding overtime). The components of the total wage represent, for those occupations in the index, weighted averages of Commonwealth and State basic wages including district parities and allowances, and margins and prescribed loadings. Annual figures, 31st December; quarterly figures, end of quarter. Excluding rural.
- (c) Weighted average weekly wage rate for Australia, 1954 = 100.

(a) The index numbers relate to the prices of ordinary shares on the Brisbane Stock Exchange of a total of 75 companies incorporated in Queensland. The prices of individual shares are unweighted and each group average is the mean of the latest selling prices each month per £1 of paid-up capital. Adjustments are made for changes in the capital structure of the companies.

(a) Including details of the operations of Retail Businesses as well as those of Non-Retail Finance Businesses. "Retail Businesses" include retailers who finance their own hire purchase agreements either themselves or through subsidiaries set up solely for the purpose. "Non-Retail Finance Businesses" include those which finance the sale of goods by retail, but do not retail goods themselves. As these statistics are revised from time to time as problems are encountered relating to coverage, reporting, and classification, the figures should not be used in conjunction with those shown in previous issues.

(a) The statistics on this page include Hire Purchase operations shown on page 30 as well as Other Instalment Credit. The latter includes such schemes as budget accounts, time payment, and personal loans for the purchase of goods at retail which involve repayment by regular predetermined instalments and wherein the property in the goods passes from the vendor to the purchaser at the time of sale. Particulars for all businesses of the types described in footnote (a), page 30, are included. As these statistics are revised from time to time as problems are encountered relating to coverage, reporting, and classification, the figures should not be used in conjunction with those shown in previous issues.

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the study and the objectives of the research.

2. The second part of the report is a detailed description of the methodology used in the study. It includes information about the sample size, the data collection methods, and the statistical analysis techniques.

3. The third part of the report is a presentation of the results of the study. It includes tables and graphs showing the data and the statistical analysis results.

4. The fourth part of the report is a discussion of the results and their implications. It discusses the findings of the study and their relevance to the field of study.

5. The fifth part of the report is a conclusion and a summary of the findings. It provides a final statement on the results of the study and the overall conclusions.

6. The sixth part of the report is a list of references. It includes a list of all the sources used in the study, including books, articles, and other documents.

7. The seventh part of the report is an appendix. It includes any additional information that is relevant to the study, such as raw data, additional tables, or figures.

8. The eighth part of the report is a bibliography. It includes a list of all the sources used in the study, including books, articles, and other documents.

9. The ninth part of the report is a list of figures. It includes a list of all the figures used in the study, including tables and graphs.

10. The tenth part of the report is a list of tables. It includes a list of all the tables used in the study, including tables and graphs.

11. The eleventh part of the report is a list of abbreviations. It includes a list of all the abbreviations used in the study, including tables and graphs.

12. The twelfth part of the report is a list of symbols. It includes a list of all the symbols used in the study, including tables and graphs.

13. The thirteenth part of the report is a list of footnotes. It includes a list of all the footnotes used in the study, including tables and graphs.

14. The fourteenth part of the report is a list of appendices. It includes a list of all the appendices used in the study, including tables and graphs.

15. The fifteenth part of the report is a list of references. It includes a list of all the sources used in the study, including books, articles, and other documents.
